REASONS FOR ALLOWANCE

In a phone conversation with Peyton C. Watkins (Reg. No. 36,390), on 14 May 2004, attorney for applicant stated Stevens, U.S. Patent No. 6,583,061 was commonly owned by the assignee at the time of filing the current application.

The following is an examiner's statement of reasons for allowance: claim 6, lines 11-24, steps (e-j) cannot be reasonably combined in the prior art of record. The prior art of record fails to teach, in combination, the process features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William M. Brewster whose telephone number is 571-272-1854. The examiner can normally be reached on Full Time.
